

MEMORABLE 35TH AND MOVING ON!

DanceArt's 35th Anniversary season was just plain great! A residency week at St. Lawrence University with lighting designer Shawn Fidler, a blow-out 35th anniversary show at CSULB's Martha B. Knoebel Dance Theater, and performances in and around Los Angeles kept us happily busy the entire season. So many great memories, from the eager and welcoming students at SLU, to the warm friends and supporters at our 35th anniversary show, to receptive audiences in Culver City, La Crescenta, Pasadena, Lake View Terrace and Sylmar. Thank you all for celebrating this landmark year with us! Special thanks go to Kerri Canedy, dance faculty at St. Lawrence University, for her gracious hosting of us in New York and to all the former Company members who came from all parts to attend DanceArt's celebration show at CSULB.

DanceArt's plans for this 36th season include trips to New Mexico and Arizona, along with performances throughout the Southland. Stay tuned for updates at DanceArt.org/schedule.html or Facebook.com/benitabikesdanceart.html.
